

Bradfield Sunshine Club

News Letter February 2015

Here we are again, can you believe its February already.

A few words from the treasurer:

I would like to say thank you for your prompt payments of fees. Everything now seems to be running smoothly. I am always there to help in any way if you need to talk about any issues to do with payments and my details of how to contact me are on the bottom of your bill.

Fee increase ;

Last year we absorbed a jump in rent for the village hall, especially the morning sessions and our staff costs have also increased. There for we have decided to increase the fees slightly for Bradfield Primary children from £9.00 for the afternoon session to £9.50 per child. (10% sibling discount will still apply)

This will come into effect from the start of the summer term in April.

many thanks

Leigh Nunn (treasurer)

We are trying out a new way of collecting the children from Bradfield at the end of each day, at the schools request. Children attending the club will be collected from their classroom by one of the Sunshine club staff members, meeting back outside the school office, to walk over to the village hall together.

Please can I remind parents to let me know by phone or text if your child is absent/ gone home sick or if they are attending an after school club at school as we spend a lot of time waiting or looking for children who are not with us.

Please can I also remind parents to give me at least 24hrs notice of any cancelations as sadly we will charge you a full session.

The Sunshine club's A.G.M is on 25th February in the committee room at the village hall.

If you would like to join our committee or would just like to come along, all are welcome.

We keep being told on the news that "SNOW" is on its way, so on the back of this letter is "What we would do if it snows" We have worked with all the schools we pick up from and have drawn up the procedure if such an event happens. This would also be the case if we were to have any other critical incidents such as the heavy rain falls we had a few years ago.

This "What to do if it snows" procedure and any other information about the club can be found on our website; www.bradfield-sunshineclub.co.uk

Many thanks

Linda Barnes (play leader)
